THE SHORTSTOP® LOADING SYSTEM

SIMPLE

Arrives completely assembled, requires little space, no foundation or concrete pad needed, and the unit is portable. In many cases, a permit is not required.

AFFORDABLE

Enter the small-load concrete business with a minimal investment.

PRACTICAL

Service a market often overlooked by ready-mix producers - sell to small contractors and homeowners evenings and weekends when bigger companies are closed.

PROFITABLE

The trailered, short-load concrete business is very profitable. Earn a return on your investment quickly!
